Cardiolipins: Symposium, by Dorothy Patras, MT (ASCP), Margaret Anderson, MT (ASCP) 159
Celloidin, Dry—Technique as Adapted to the Preparation of Eye Tissue, by Evelyn Ballou, T/Sgt, M.A., MT (ASCP) 202
Chemical, Sources of Error in Common — Procedures, by Nobuko Mizuno, M.A., MT (ASCP) 315
Chemical Reactions, by Doris Wallace, MT (ASCP) 142
Convention Highlights..... 241
Culture, A New Technique for Anaerobic—, by Arnold Swancara, B.A. 214

D

Developments, Recent — in Special Staining Technics, by Mary Frances Gridley, MT (ASCP) 347

E

Editorial Pages—
27, 101, 176, 177, 238, 308, 352
Enterobius Vermicularis, Human Pinworm, by Dorothy Hitchcock, MT (ASCP).... 210
Erythroblastosis, Severe—Fetalis Treated with an Exchange Transfusion, by Sr. Eugene Marie Carpe, SC, B.S., MT (ASCP)..... 1

F

Fertility, Problems in—as They Pertain to the Medical Technologist, by H. J. Walder, M.D. 264
Flocculation, Positive Cephalin-Chloesterol—Tests in X-Ray Workers, by Nell Butler, MT (ASCP) and James F. Crenshaw, M.D. 255
Fungi, Simple Procedures in the Identification of Yeast-Like —, by Helen Ketchum, M.S., MT (ASCP) 155

G

Gastric Aspiration Technique, by Sylvia Anderson, MT (ASCP) 207

Glassware, Methods of Washing—, by Bernice Elliott, B.S., MT (ASCP)..... 337

Glassware, Tips on Cleaning—, by James E. Katner, Sr., MT (ASCP) and Doris Bradway, MT (ASCP) 99

I

Industry, A Medical Technologist—, by Eileen Smith, MT (ASCP) 291

L

Lipase, A Suitable Substate for the Determination of Pancreatic—in Serum and Other Body Fluids, by Elizabeth McClay, MT (ASCP) 197

M

Medical Care, Medical Technology as Related to the General Problem of—, by Ward Darley, M.D., F.A.C.P..... 13

Membership, Letter to the—of A.S.M.T., by Lucille Wallace, MT (ASCP) 35

N

News and Announcements 39, 109, 181

R

Recruits, More—for Medical Technology 177

Rh-Hr Agglutinins, by Barbara Bickle, MT (ASCP)..... 169

Roster Supplement 55, 130

S

Science, According to News Letter 102

Sedimentation, The Value of—Rate in the Diagnosis of Acute Appendicitis, by Jane Magham, MT (ASCP)..... 270

Semen Analysis from the Angle of the Clinical Laboratory, by Edith Damgaard, MT (ASCP) 259

Societies, State and Local.....50, 127, 192, 249, 365

Syphilis, Recent Observations in the Serology of—, by Margaret Zwally, M.A.,..... 224

Swab, An Improved Method for Obtaining Specimens by Rectal, by James Kattner, Sr., MT (ASCP)..... 25

T

Teaching Aids: Simplified Abstract System, by Rachel Lehman, MT (ASCP)..... 286

Teaching, Visual Aids Used in —, by Rachel Lahman, MT (ASCP) 287

Technician, The Laboratory—in the Physician's Office, by Helen Spicer Menkel, MT (ASCP) 174

Technologist, Hiring a Medical —Just out of Training School, by Ruth Church, MT (ASCP) 289

Technologist, The Responsibilities of the Medical—, by Lall G. Montgomery, M.D... 282
